About FAFICS

FAFICS is the Federation of Associations of Former International Civil Servants. It was founded in 1975.

- It brings together Associations of retired International Civil Servants from the United Nations and the Specialized Agencies of the UN. There are currently 63 Member Associations of FAFICS, located in all regions of the world, with a total membership of about twenty thousand retirees.

- FAFICS provides a framework for promoting and defending the interests of former civil servants, most notably in pension and health insurance issues. To this end, it keeps abreast of developments at the UN General Assembly and other Governing Bodies of UN System Organizations.

The Federation is a non-profit association with its headquarters in Geneva, Switzerland (see Statutes).

The governing body of the Federation is the FAFICS Council, which elects the Federation Officers.
